

The background is a solid light brown color. It features several abstract, expressive brushstrokes in a darker brown hue. These strokes are primarily located in the upper and lower portions of the frame, with some extending across the central white rectangle. The strokes vary in thickness and direction, creating a sense of movement and texture. A large, smooth, curved stroke arches from the lower left towards the center. Another set of more chaotic, layered strokes is visible in the upper right. The central white rectangle is a clean, solid shape that provides a stark contrast to the textured background.
